

Getting to know the new ISCD Member Portal

The screenshot shows the ISCD Member Portal interface. At the top left is the ISCD logo. The main navigation bar includes links for MY ISCD, LEARN, CERTIFY, JOIN, ABOUT, and KNOWLEDGE BASE. On the right, there are buttons for 'ISCD MEMBER' and 'LOGOUT'. Below the navigation bar is a secondary bar with contact information (1.860.259.1000, iscd@iscd.org) and social media icons. A row of menu items includes MY PROFILE, MY MEMBERSHIP, MY REGISTRATIONS, MY LEARNING, MY CERTIFICATIONS, MY INVOICES, MY DOWNLOADS, and MY SECURITY. The main content area features a profile card for an 'ISCD Member' with a photo of a woman in a white lab coat, contact details (123 Main Street, Middletown, CT 06457, United States, member@test.com), and an 'Update My Profile' button. Below the profile card are sections for 'Identify My Company' (International Society for Clinical Densitometry) and 'My Addresses' (123 Main Street, Primary Address).

My Profile

- Add a photo
- Update Contact Information
- Edit Communication Preferences
- Join an Interest Group
- Access ISCD Committees you are a member of

My Membership

- Check on Membership and MOC expiration dates
- Renew your Membership and/or MOC online
