

How to register for an online course

- Log into your account at iscd.org

- Hover over the **LEARN** Menu and select **Course Catalog**

- You will see the current catalog of online education offerings. Click the Register button when you have found the course you would like to take

Using DXA in Pediatric Clinical Practice and Research

Contains 5 Component(s). Includes Credits

OVERVIEW

David R. Weber, MD, MSCE, provides an evidence-based yet practical approach to using DXA in children for clinical care and research. He illustrates how he has used DXA in his own practice, and explains risk factors for impaired bone health in children as well as indications for using DXA in the pediatric population. Dr. Weber's lecture covers the key aspects of performing, analyzing and interpreting DXA in children.
