### Manage Credit Card for Automatic Renewals

To simplify the annual renewal of your dues, we now provide you with this Credit Card Automatic Renewal option. Here's how it works:

- Please provide a credit card that you would like to use for future payments on renewals.
- We authorize that credit card and save that pre-authorization. We do not save your credit card.
- When your renewal is due, we will automatically charge against that credit card pre-authorization for the amount due.
- We will not use this credit card pre-authorization for any other purpose than the one(s) that you approve.
- You may revoke this authorization at any time by removing this card from this page..
